RE: Certification of Completion

Name of Development: \_\_\_\_\_

Project No: \_\_\_\_\_

I, the undersigned, hereby certify:

1. We are a Licensed Utility Contractor in the State of North Carolina.
2. That the water improvements to the above referenced development have been installed in accordance with the standard specifications and requirements of the City of Asheville and in substantial compliance with the water system extension plans approved under S/N \_\_\_\_\_.
3. That we guarantee the materials and installation of the water lines including all appurtenances and the restoration of any disturbed areas for a period of one (1) year and shall make repairs deemed necessary by the City. The one year period shall begin the date the waterline is formally accepted by the City of Asheville.
4. That we will reimburse the City of Asheville the cost of any repairs it deems necessary to make with its own forces including the cost of materials, labor, and equipment.
